- Investigate rusting and burning reactions.
 - Investigate chemical reactions.

Spring 2 Year 5

PSHE

Healthy Me

Learning about nicotine, alcohol, body images and healthy eating and how the media affects our views of these.

RE

This half term we will be focusing on Christianity and exploring the question 'Did God intend Jesus to be crucified and if so was Jesus aware of this?'

Art and Design

Frame structures

Children will be learning about SD frameworks and structures. Children will learn about Stephen Souvestre and design and make a structure with a strong frame structure.

PE

Swimming

Confidently swim 25 meters using a range of strokes. Perform a safe self-rescue.

Tag Rugby

Develop key skills and principles such as defending, attacking, throwing, catching, running and dodging.

Music

- We will continue to participate in our fortnightly trumpet sessions.
- Learn to sing and perform.

Spanish

Colours, clothes and fashion shows

Children will learn the names of some items of clothing and use verbs to describe what they are wearing.

Computing

Game Creator

We will be learning to create our very own computer games on Purple Mash.

3D Modelling

As well as this, we will be learning to create 3D models online for a number of different purposes.
