World Book Day

WOW! What a fantastic day we had yesterday! We celebrated World Book Day to promote a love of reading. The children (and staff!) all looked wonderful dressed as their favourite book characters. It was delightful to see how enthusiastic the children were about their characters and the books they came from.

The day began in house groups, where the children worked collaboratively on a scavenger hunt to solve a puzzle. EYFS and KS1 found hidden jigsaw pieces, while Years 3 and 4 pieced the jigsaw parts together to form whole images. Years 5 and 6 then taped the pieces together, turned them over to reveal letters, and opened a clue envelope to arrange the letters and solved the puzzle. Well done to all the houses who successfully completed the challenge through teamwork!

A big thank you to our Year 6 Book Leaders for this idea!

Afterwards, the children selected a book they would like to hear, and an adult read it to them in their house groups. Then, they had a chance to show off their amazing costumes in a fun catwalk event!

The remainder of the morning was spent enjoying book-themed activities. Everyone also visited the second-hand bookshop organized by the PTA, where they could choose a book to take home and read for pleasure. A huge thank you to all the parents who put so much effort into their children's costumes this year – we truly appreciate your support in inspiring our students to develop a love of books.

Celebration Assembly

Teddy was our first year 6 pupil to play our new piano during a celebration assembly. Well done Teddy!

Team Work in Toucans

Toucans had a lot of fun trying to send a hoop around a ring of children. We started in small groups before we completed this as a whole class. After, we spoke about the different skills it takes to complete this activity and it was wonderful to hear the class talking about respect, collaboration and kindness!

Careers week

It has been careers week at RFPs this week and what a fabulous week it has been! The children loved learning about a variety of different jobs across the week and we were joined by 22 volunteers to talk about their professions. From police detectives to NHS staff and engineers, we had a real variety of careers and it was wonderful to see the children's enthusiasm. The children listened respectfully and asked some great questions that really got our guests thinking. We think it is so important to look to the future and hope this week has inspired the pupils to follow their dreams.

This week would not have been possible without our wonderful volunteers, who gave up their time to visit us. We cannot thank them enough for taking the time to do this. After each careers talk, the children have been so excited to share what they have learned and the buzz around school has been brilliant. Thank you so much to everyone that took part. We are lucky to be part of such an amazing school community. Thank you to Mrs Swain for organising the week!

Safe & Active Schools

Walking to school has lots of benefits:

- Something as small as walking 20 minutes a day can help you and your child ward off heart disease.
- Walking can help us to maintain a healthy weight, especially when combined with a balanced diet. It makes us fitter because our heart and lungs can work more effectively.
- In addition, it can help our bones stay healthy and improve our balance, which is particularly important for older walkers.
- Walking can help to increase our sense of wellbeing by making us feel more awake, focused and cheerful. This is great for your child each school morning as it could improve their levels of concentration in class.

Neuroscientists believe that if we walk regularly, our brains can function more efficiently. In effect, walking acts as a 'superpower'. This means we are more proactive, cheerful and clever!

RFPs will be taking part in an initiative to encourage walking and wheeling to school. Our Junior Road Safety Officers will be in touch with further information.

Comic Relief 2025

On Friday 21st March, we will be raising money for Comic Relief by having a non-uniform day. Please wear an item of red clothing if you have it but any non-uniform will be absolutely fine. We ask for a voluntary donation of 50p per child.

Pupil Parliament will also be running a 'design your own red nose' competition. Please hand entries back by Wednesday 19th March and prizes for the most creative will be given in Friday's assembly. This will be 20p per entry and needs to be handed into your teacher with your design.

You can collect entry sheets from your teacher.

Good luck! Pupil Parliament can't wait to see your amazing designs.

CHANGE IS POSSIBLE!

Rugby Foodbank gave out 7089 parcels last year. 37% went to children!

Between April & August 2024 BRANCAB dealt with 225 cases relating to council tax debt. 44% of these cases were for single parents. 66% were female. 46% had long term health conditions.

Rugby Foodbank are working to support families and would like to hear stories from local parents who have experienced council tax debt which has contributed to needing help from a Foodbank.

We need your voice to help create change!

Come and chat to us at **Shine A Light cafe** Wednesday 12th March 10.30 - 12.00

Nutrition

Nutrition refers to the nutrients in food and how our body uses them to stay strong and healthy. There are lots of positive benefits for our **physical health**, nutrition is also really important for our **mental health**!

Our brain works hard taking care of our thoughts, movements, breathing, heartbeat and senses (even when we are sleeping!), so we must fuel our brain with nutritious foods to help us function. This can help us to think clearly, increase our energy levels and support concentration. What we eat also affects our mood too!

Our tips:

1. **Get involved in the cooking**— Can you help your parent/carer to prepare dinner? This can be a fun way to spend time with others and learn a new skill.
2. **Make it fun**- There are lots of different ways different foods can be prepared. You could try experimenting putting different food together to see what you like and don't like.
3. **Try something new**- When was the last time you tried a new food? It can be exciting to find out what food we like and don't like. Also, our tastes can change as we grow and develop. See if you can set yourself a challenge to try a new food this week.
4. **Keep Hydrated**- Dehydration could lead to headaches, difficulty focusing and may impact sleep. Try to ensure you are regularly drinking water, it can be useful to bring a bottle of water to school every day to remind you to stay hydrated!

In Coventry and Warwickshire, for any urgent mental health concerns, contact the RISE Crisis Helpline available 24/7, by calling NHS 111. Alternatively, call 999 or visit A&E in an emergency, for example if medical attention is required.

MHST are available to support you and your school throughout the school year including term time and school holidays.

Please contact your school's Mental Health Lead for information and advice.
