Year 1 Inspire Workshop

Year 1 had a fabulous Inspire Workshop last Tuesday. They enjoyed participating in a range of activities with their adults and teachers. They

particularly enjoyed creating Great Fire of London artwork, practising their number and letter formation, creating number lines and listening to the E-Safety experience on the Now Press Play headphones. They even drew around one another and used their science knowledge to label different body parts! Year 1, we are so proud of your fabulous learning.

Cross Country

Last Monday, some of our Year 5 and 6 children competed in the last race of the cross country trials. Although the weather was not on our side, all of the children that took part did an amazing job and represented RFPS well. We are so proud of all of you that took part!

Concert at St John the Baptist Church

Ben (Y4) and Emmie (Y6) took part recently in the Soloist Concert at St John the Baptist Church in Hillmorton, organised by Warwickshire Music. There were some fantastic performances from our pupils and other young people and the audience really enjoyed seeing them step up into the limelight. Well done to all the pupils who took part!

Fun in the Snow

With the snowy weather we had last week the children took the opportunity to have some fun in the snow!

RFPS' Careers week

Wow! What a brilliant week it has been celebrating RFPS' first ever careers week. The children have had the opportunity to choose between over 40 different careers to go and learn about each morning. From doctors to dog groomers, interior designers to tank commanders and everything in between, we have been so lucky to have so many people volunteer their time to explain all about their chosen career to our pupils. The buzz around school has been amazing and many of our visitors have commented on how mature and thoughtful the children's questions were. We would like to take this opportunity to say a very big thank you the parents and members of our community that have spoken to the children. Your passion and enthusiasm have meant RFPS pupils are leaving this week with some very big aspirations!

Year 3 Inspire Workshop

Year 3 had their Inspire workshop this week. It was wonderful to see children and parents working together to explore some of our learning for this half term. Children were investigating the strength of different magnets, exploring the layers of earth, practising yoga poses, accurately measuring mass of different objects, editing spellings mistakes and using purple mash to send a joke via email to a peer. We had a great turn out and it was lovely to see so many parents/carers working alongside their child.

Friends of Rugby Free Primary (PTA)

The year is moving forward quickly and we are holding our second meeting of 2023 in 2 weeks. We would love to see members both new and old along with new friends who would like to join us.

- When: **Tuesday 21st March at 19:30**
- Where: **Brewers Fayre conservatory**

We will be running through our ideas and plans for upcoming events, and asking for volunteers to help where they can (we would love to have lots of volunteers so everyone can help a little bit and we can deliver more for the children without asking for too much time from our members). We will also be looking back at the events carried out so far, seeing how well they went and thinking about ways we can do even better in the next set of events.

FoRFPS Facebook Page:

We are currently looking to update our Facebook page and school webpage, please watch out for these updates in the near future. Our Facebook page can be found at this link, https://www.facebook.com/groups/friendsrugbyfreeprimary/?ref=share_group_link, please follow us for regular updates and news.

Pre Loved Uniform:

Please feel free to message us through our Facebook page and we will get back to you with availability of items still in our current stock. Logo items are £1 and non logo items 50p with all funds raised going back to support the children of RFPS.

Many thanks - Friends of Rugby Free Primary School
