Safer Internet Day

This week, we did some special activities as part of safer internet day. The children thought about what they needed to do to ensure they always keep themselves safe on the internet and enjoyed meeting Smartie the Penguin and understanding his message. All our children will tell you that they should not give out any personal details online and must tell an adult if they see anything that worries them. This is just one of our internet safety posters made by a Reception child. Please do take a look at our e safety section on our school website to get some tips on how you can help your child further in staying safe online.

Year One Inspire Workshop

Thank you to all our Year One parents who came and joined our computing inspire workshop on Tuesday. It was lovely to see so many of you enjoying learning with your children. Thank you for your feedback, it was great to have such positive comments and we shall certainly consider your suggestions moving forward.

Reception Children visit Coton Park

In Literacy this week, Reception have been learning the story of Hansel and Gretel and the woodcutter wrote them a letter encouraging them to visit Coton Park and hunt for treasure. They had to leave a trail as they went to ensure they were able to get back to school and they enjoyed doing several different activities when they arrived at the park related to the story. Thank you to all our volunteers and Governors who helped with the trip to enable this extremely exciting learning opportunity to happen for our youngest children.

Stars of the Week

Reception:
Delightful Dragons:
James Langon
Charlie Scoffham

Marvellous Monkeys:
Zara Edmond
Edward Bristo

Wonderful Whales:
Lydia Basten
Jesse Oyetenji

Year One:

Year Two work on Block Diagrams

In Maths Year Two have been learning about block diagrams this week. Evie, one of Fantastic Foxes class was very keen to share her learning with you saying that she 'really enjoyed finding out which colours everybody liked the most and then showing these on a giant block diagram in the classroom'. Please encourage your children to do some further surveys at home and display their results in a block diagram.

Safeguarding

It is the duty of all of us to make sure our children are safe, protected from harm and happy, both in and out of school. If we notice any concerns in school, we have a duty to report these to Warwickshire Multi Agency Safeguarding Team (MASH). If you notice anything at all that concerns you, please do not hesitate to speak to us. Our designated lead for safeguarding is Miss Milewski, deputy designated lead is Miss Butters and our safeguarding governor is Mr Legge. Alternatively, you can contact Warwickshire MASH directly. Please see our safeguarding notice board outside the main door for further information and contact numbers or visit the safeguarding section on our school website.

OFSTED Parent View

Everybody should have received our e mail with a link to OFSTED parent view in it. Please could we encourage you all to register and complete this survey. This will be crucial in OFSTED obtaining your views for our upcoming inspection and will be the first thing that inspectors look at prior to visiting school. They will request you complete it on the evening of the inspection but our theory is that it is best to have it done and ready and waiting for them to access. It only takes a few minutes to complete and would be much appreciated. If you need any help accessing this, please pop in to the office and Miss Winton or Mrs Phillimore will be happy to help. Thank you in anticipation for your time. **Please do redo the survey even if you completed it last year, it may pop up you have already done it but we need results for this academic year so we would really appreciate it if you could update your entry and complete it for this academic year.** Thank you very much.

Friends of RFPS Valentines Disco

The disco is tonight. Reception disco (6.15-7.00) and Y1 and Y2 disco (7.15-8.15).

We look forward to seeing you all there.

Junk Modelling Request

Our Reception classes are running low on their recycling which they can use for their junk modelling. If anybody has any clean empty cartons, yoghurt pots, egg boxes, cereal boxes etc. please could we have them for the children to use to make their models. Thank you very much.

Parking

Some parents seem to be parking on the double yellow lines outside school. Please do be aware that our local police are planning to enforce these and have notified us they will be doing spot checks and issuing fines to anybody who has left their car on double yellows. Also, please do respect our neighbouring businesses and use the parking spaces further up Central Park Drive if you must drive to school rather than parking in one of their car parks.

If at all possible, please do walk or cycle to school with your children. You are most welcome to chain bicycles or scooters in our cycle shelter if you wish.

Attendance

Reception:

Delightful Dragons 100%
Marvellous Monkeys 97.27%
Wonderful Whales 98.2%

Year One:

Brilliant Bears 95.4%
Outstanding Owls 91.3%
