OFSTED

Thank you all very much for your support this week as we welcomed inspectors to visit our children. Our little ones were as always, a credit to themselves, their families and our school.

The process is that we now need to wait for the report which we will receive within 28 days and then it will of course, come to you all first before it goes live on both our website and the OFSTED website. We are confident when you do receive it you will be pleased with what it says and want to praise your children who are absolutely, what makes our school the wonderful place that it is. Thank you to all of you who shared your views with the inspectors either by e mail or by letter, this was much appreciated.

Red, White and Blue Day

To celebrate the wedding of Prince Harry and Megan, our school council would like to organise a Red, White and Blue Day on Monday 21st May. We would like a donation of £1 to go towards further developing the planting area on our playground and buying some nature based signage.

Safeguarding

It is the duty of all of us to make sure our children are safe, protection from harm and happy both in and out of school. If we notice any concerns in school, we have a duty to report these to Warwickshire Safeguarding Team. If you notice anything at all that concerns you, please do not hesitate to speak to us. Our designated lead for safeguarding is Miss Milewski, our deputy designated lead is Miss Butters and our safeguarding governor is Mr Legge. Alternatively, you can contact Warwickshire Safeguarding Team directly using the Mash agency. Please see our safeguarding notice board outside the main door for further information and contact numbers.

Sun Safety

Please make sure that your child has 24 hour sun cream applied before they come to school and that they bring a sun hat or cap in with them for those break and lunchtimes when it is very sunny. They may bring sunglasses if they wish but these are their own responsibility and we ask that you do not send expensive ones as they could potentially get broken or lost as the children are playing.

We do have shelters outside now on our quiet playground and the children are welcome to use these if they get too hot.

Thank you for your support.

Attendance

Reception:

Delightful Dragons 97.6%
Marvellous Monkeys 96.1%
Wonderful Whales 98.7%

Year One:

Brilliant Bears 96.9%
Outstanding Owls 96%
