Reception Literacy Inspire Workshop

On Wednesday, Reception's Literacy Inspire Workshop was held in the hall. Both children and parents had a wonderful time and took part in various writing and reading activities. Literacy is a huge part of the curriculum so we would like to thank parents for getting involved and taking part. A big thank you to the Reception team for their time and commitment in making the workshop such a success.

What is an Inspire Workshop?

For some of our parents, new to the school, you may be wondering what an Inspire Workshop is! They are workshops put on by the teachers for yourselves and your children to learn together. They last for approximately an hour.

Junk Modelling

Please can we ask that you bring any clean, recycled materials into school for the children to use for junk modelling in Reception! This can be anything from bottle tops to cardboard boxes. They really love creating amazing designs and the parents really love taking them home!?

"Gingerbread Man"

Reception's topic for this half term is all about fairy tale stories. This is to help our story language and writing. Last week, we were focusing on 'The Gingerbread Man' and on Thursday we made some yummy gingerbread men of our own. We made the dough, cut out our men and placed them in the oven just before break time. However, when we came to take them out of the oven, we had discovered that something terrible had happened. They had escaped and had gone on the run! We rushed back downstairs to make WANTED posters and stuck them all around the school to help solve the mystery. We even had the Police in on Friday to look at the clues and they were just as shocked as we were! Whilst they were here, they taught us about their job, how to stay safe and what to do in an emergency. They let us have a sit in their car too! What a great week we've had in Reception, I hope we solve the mystery soon.....

A BIG thankyou from FRFPS

Many thanks to all those who donated cakes, biscuits and crisps for the Valentines Disco on Saturday – we were overwhelmed with your generosity. These will be sold at the disco to raise money for our fabulous school!

School Closures

At this time of year, it is always a good idea to sign up to the weather warnings provided by Warwickshire County Council, please visit www.warwickshire.go.uk/schoolclosures to register. We will always advise of any closures via the school website and our text messaging service – so please ensure your contact details are kept up to date.

Mother's Day

If you have not already done so, please ensure that your Mother's Day card and coaster design are returned with the correct money by Monday 11th February – **this is the very last date we will accept them.**

Quote of the Week

"It's not about waiting for the storm to pass, it's about learning to dance in the rain."
