Defibrillator

RFPS now has our own defibrillator which is located in the entrance hall of the school. This has been funded with money raised by the Friends of Rugby Free (Team PTA). This is vital life-saving equipment and could be incredibly important to our school community one day. Thank you to everyone for supporting fundraising events and activities.

Welcome Back Assembly

In Assembly this week, we learnt about the legend of George and the dragon and how we celebrate St George's day. We talked about what it means to be English and the values we hold e.g. respect, democracy, supporting each other etc. We linked this to the London Marathon and discussed the strength and resilience it takes to complete it and how much money was raised for different charities.

Author Visit

On Tuesday, an author, A M Crisan came to visit Reception, Year One and Year Two to read her book about Professor Broccoli and his ABC adventures journeying through the alphabet. The children really enjoyed their visitor and for anyone that ordered a signed copy of her book, these have been issued out today.

New Menu

Please find attached to this newsletter the new menu choices starting from 13th May. We have kept with the current format of one meat option, one vegetarian option, a jacket potato with a choice of toppings and a cold sandwich or wrap. Please do try to talk to your child about these choices so they are prepared for the changes. Thank you.

Sponsored Read

Our Easter holiday Sponsored Read ended on Monday 29th April. This was our 4th year running the event with Usborne Books and all money raised will go towards brand new books for our school.

Thank you for those of you that have already returned forms and money raised, for those that haven't can we please request that these are in by early next week so that we can get a total.

There will be prizes awarded to the child who logs the most reading minutes and to the child who raises the most money!
