

English

We will be immersing ourselves in these texts to practice our reading skills:

Vocabulary
Infer
Predict
Explain
Retrieve
Summarise

We will also complete writing for a range of different purposes, including, balanced argument, recount, 1st person narrative with flashback, poetry, campaign writing – persuasion and a documentary script. We will look at including a range of advanced punctuation within our writing and applying the Y6 grammar skills.

Spring 2 Year 6

Computing – Data and Spreadsheets

We will use excel to understand the purpose of a spreadsheet and the types of data it can present.

We will learn to use different formatting techniques within a spreadsheet.

We will develop knowledge of formulas and use the 'calculate' and 'duplicate' functions.

We will apply our knowledge to utilising excel to plan an event and present our data.

Maths

Decimals

Fractions, decimals and percentages

Measurement – perimeter, area and volume

Statistics – line graphs, pie charts, bar charts

PE – Basketball and Handball

- Dribbling
- Throwing
- Catching
- Jumping
- Saving
- Accuracy
- Power
- Running
- Screening

History – Britain at War!

Britain at War

Britain at War

We will be learning about life during World War 2.

This will include: the causes and key events of WW2, life during the war, life as a soldier, the impact of the war and how it ended.

Music – UpBeat! Clarinets

Up Beat! The children will continue to learn to play the clarinet with focus on reading notation.

In class children will be considering dynamics and comparing these in two types of music.

We will also be practising creating our own beats and recording these using musical notation. We will use glockenspiels and ICT to produce our own music.

Science – Electricity

Circuit Symbols

Lesson Sequence

1. Describe the parts of an electric circuit
2. Explore voltage and its effect on an electrical circuit
3. Apply knowledge to identify and correct problems in a circuit
4. Investigate what affects the output of a circuit
5. Build a set of traffic lights
6. Apply knowledge of conductors and insulators

Spring 2
Year 6

Spanish – The Fun Fair

Vocabulary:

Me gusta(n) – I like

El tiovivo – the merry go round

Design and Technology

Designing and making a WW2 Evacuee Bag – Cutting and Joining Textiles

Stitches

RE

How do beliefs and ideas about land shape the way human beings live?

We will be continuing with our big question for the spring unit and focusing on how people with different worldviews feel about the world and consider 'belonging' as a theme.

We will explore the past and the impact of religion on the changing world.

PSHE – Healthy Living

A Balanced plate

- Fruit and vegetables
- Grains, cereals and potatoes
- Dairy products
- Meat, fish, nuts and eggs
- Fats and sugars
