Come on Our Learning Journey

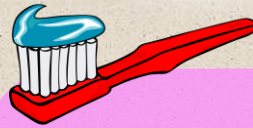

Our Core Areas of learning

We will be learning to...

Communication and language

- Maintain attention, concentrate and sit quietly during appropriate activity.
- Able to follow a story without pictures or props.
- Respond to instructions involving a two-part sequence.
- Listen and respond to ideas expressed by others in conversation or discussion.

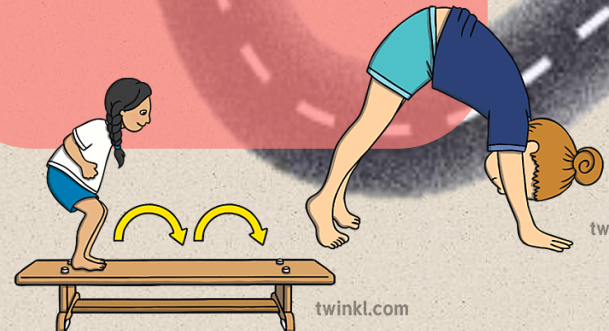

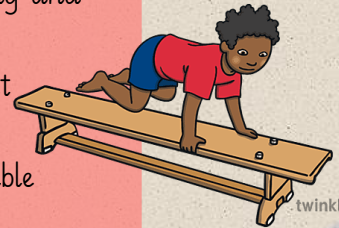

Personal Social and emotional development

- Talk about things they are good at
- Understand what makes them special
- Know that everyone is different but the same in some ways
- Talk about why their home is special
- Talk about how to be a kind friend
- Understand how to stand up for themselves
- Recognise early warning signs
- Keep safe around roads.

Physical Development

- Explore different ways of moving – slithering, crawling, walking forwards and backwards
- Show control over objects e.g. pushing, batting, throwing and catching
- Use simple tools to effect change e.g. cutting
- Handle tools and malleable materials safely
- Begin to form recognisable letters using a static tripod grip

Part of My Heart

Specific Areas of learning

The children will be learning to...

Literacy

- Listen to familiar stories
- Use new vocabulary in the correct context
- Hear and say multiple sounds within words
- Blend set 1 sounds together when reading
- Apply phonics skills to blend CVC words together
- Write initial sounds of familiar words.
- Write/mark make in several different contexts
- Know that learnt phonics sounds can be used to build words for themselves and others to read.

Understanding of the world

- Discuss and describe places that are important to them.
- Recognise and compare differences between home and school.
- Observe changes in their natural world and say why it is different now or will change in the future.
- Talk about objects and events and record through simple pictures/images.
- Recognise human and physical features in their locality (buildings, lampposts, roads, trees, grass, field, plants, soil, hill)
- Ask questions about their local environment.
- Find out about ways that people of different religions celebrate.

Mathematics

- Represent 5 in different ways
- Use the language of more than fewer than and equal to for comparing quantities.
- Compare size and capacity
- Copy repeat and create simple patterns
- Compose and decompose sets of up to 5 objects
- Identify four sided shapes
- Recognise and order numerals to 5

Expressive Arts and Design

- Understand that all products are designed for a purpose
- Follow procedures of safety.
- Safely use and explore a variety of materials
- Practice cutting and joining
- Represent ideas in pictures
- Create a design for a purpose
- Describe what you have made and its purpose
