Trust Highlights

Welcome from the CEO

Fostering quality and resilience in all that we do!

As we reach the close of a very busy autumn term, I want to take a moment to reflect with immense pride and deep gratitude on everything we have achieved together across Triumph Learning Trust so far this school year.

In September we were delighted to welcome Cawston Grange Primary School (Rugby) into our Trust. Cawston Grange has a well-established reputation within the Rugby area and it has been exciting to enable the staff join together with colleagues from across the Trust to share that practice. I have personally enjoyed working with Headteacher, Kate Worthington to understand the school to find out what makes it the special place of learning that it is.

Our core values of **Aspiration, Collaboration and Innovation** underpin everything that we do as a Trust, we know that through joint working and high expectations we can make a greater difference to the outcomes of more children.

“Coming together is a beginning; keeping together is progress; working together is success” (Henry Ford).

This term we have seen all our schools achieve well and I am exceptionally proud of the standing that they hold in their communities, and the achievements made this term:

Rugby Free Secondary School after the Grammar schools is the most popular secondary school in Rugby and has achieved improved outcomes at both GCSE and post 16 than in previous years demonstrating a three-year trend of improvement. This is testament to the commitment and hard work of the staff body. Any pupils in Rugby that attend one of our schools gets priority in terms of secondary school applications at RFSS.

At the start of the term Rugby Free Primary School celebrated their 10th birthday celebration. In such a short time RFPS has established itself as a school of excellence, where children not

only receive an exciting learning experience in a climate of care, support and positivity but where they also achieve well against national tests.

In Coventry at Courthouse Green, staff are proud to be recognised as 'Young Carers School of the Year' they also achieved Voice 21 'School of Excellence' status and are now a Thrive 'Ambassador school'.

At Alderman's Green, staff are also proud to have achieved results in line with or above national expected outcomes, Voice 21 'School of Excellence' status and are also a Thrive 'Ambassador school'.

"Every child deserves a champion: an adult who will never give up on them, who understands the power of connection and insists they become the best they can possibly be." (Rita Pierson, Educator)

This quote perfectly encapsulates the spirit of Triumph Learning Trust where relationships and strong partnerships underpin all that we do, supported by our values of aspiration, innovation and collaboration. As we come to the end of another academic year, I want to take this opportunity to celebrate all that we have achieved together—with purpose, compassion, and unwavering belief in our children.

Our staff have continued to lead with courage, professionalism and care. Their tireless commitment to our pupils has been evident in every lesson, every interaction, and every breakthrough moment. They have been champions in every sense of the word.

In November we held our Trust Day of Learning and Reflection at RFSS, a fantastic day of joint collaboration and professional dialogue where colleagues shared best practice and learned side by side one another discussing how best to support pupil achievement.

Our success is made even more powerful by the strength of our **partnerships with parents** and also our highly effective **Local Accountability Boards**, who work alongside us in support and collaboration.

This term, we have seen:

- **Highly effective teaching** across all key stages, the result of consistently high-quality staff development and a deep understanding of individual needs
- **Strong behaviour and attitudes**, driven by clear expectations and values-led leadership
- **Inspirational achievements** in the arts, sport, and community engagement
- **A culture of aspiration**, where every child is encouraged to be curious, kind, responsible, respectful, and resilient

Through our collective strength, determination, and shared moral purpose, we have continued to grow and succeed. Thank you—for your belief in our mission, for your relentless support, and for being champions for our children.

On behalf of everyone at Triumph Learning Trust, I wish you and your families a happy Christmas break and a peaceful start to the New Year.

Sarah Malam
CEO

School Highlights

Moments to celebrate

A new Specialist provision and Immersive room at Cawston Grange, sports achievement at Courthouse Green and Thrive award at Alderman's Green. At RFPS a prestigious attendance award and at RFSS the most amazing production of High School Musical showcasing incredible talent!
